Work Experience and Projects

CCTECH Co., Ltd. (Thailand)

Software & AI Project Lead (Contract) – Computer Vision in PTZ Cameras

- Co-developing an air-gapped tactical application using Tauri, integrating fine-tuned computer vision models for small-object, motion, pose, and behavioral detection across specialized sensors; optimized system performance using TensorRT, SAHI, and Ubuntu OS on NVIDIA Blackwell GPUs.
- Managing a \$1.5M national border security project, overseeing hardware and software integration for \$6K operator ground stations and PTZ camera units working with a Field Robotics team, delivering to the Royal Thai Marine Corps.

Bangkok, Thailand
July 2026 – Present

Project Sales (Contract) – Helmet-mounted Thermal Imaging & Data Links

- Led a GASTECH 2026 exhibition and client demonstrations in partnership with an Italian laser and optics company, managing coordination with on-site English interpreters and CCTECH's sales and product teams.

Bangkok, Thailand
14th – 17th
September, 2026

R&D Intern Support – Summer Internship 2026

- Co-authored a white paper with Thammasat University faculty evaluating facial recognition performance on fielded 360-degree body-worn cameras for security applications; established empirical baselines, including a 7.9% lower-bound detection precision on continuous field footage.
- Supported 5 product presentations featuring autonomous vehicles and side-scan sonars in partnership with German and Norwegian companies, presenting to the Royal Thai Fleet (Naval Special Warfare Command, Patrol Squadron, and Support Division).

Bangkok, Thailand
July – August 2026

W3GAS Shop

Solopreneur – Digital Business on Roblox Gaming Platform

- Managed approximately 200 SKUs across 3 Roblox platforms, delivering digital products and services that generated \$15K in revenue.
- Maintained a 5-star Facebook rating with a total of 54 reviews and 2K followers.
- Moderated 50K members on Roblox Thai community Facebook Group

WFH
2019 – 2021

Extracurricular Activities & Leadership

Team Lead, HSBC Thailand Business Case 2025

- Led a 3-member team through pre-screen, camp training, and final competition days, securing 3rd Place in Division 1, 2nd Place in Division 2, and Best Video Team Awards; delivered pitch presentations in professional English.

Bangkok, Thailand
April – May, 2025

Curated Speaker, DUET TALK 2 Private Grand Opening Shudaxia MBK Mall

- Completed an intensive 1-month leadership program mentored by corporate executives, business owners, and a Chulalongkorn University professor; delivered aspirational keynotes to C-suite leaders and VIP guests during the grand opening under Factivity Affiliations.
